BEER BATTERED CLAM STRIPS

These clams are sliced 2 times thicker than a standard clam strip. The strips are coated in a light Narragansett beer (the official beer of the clam) batter with a mild flavor of malt and hops. When prepared according to the directions the Beer Battered Clam Strips will be tender, sweet with a hint of malty beer flavor and leave your customers wanting more. Serve with your favorite sauce to make your very own signature appetizer or clam entree.
